Why We Exist.

To extend the healing ministry of Jesus Christ.

What We Believe In.

DIGNITY  Respect for the worth of every person, recognition and commitment to the value of diverse individuals and perspectives, and special concern for the poor and underserved.

INTEGRITY  Honesty, justice, and consistency in all relationships.

EXCELLENCE  High standards of service and performance.

COMPASSION  Service in a spirit of empathy, love, and concern.

STEWARDSHIP  Wise and just use of talents and resources in a collaborative manner.

What We Are Striving To Do.

CHRISTUS Health, a Catholic health ministry, will be a leader, a partner and an advocate in the creation of innovative health and wellness solutions that improve the lives of individuals and communities so that all may experience God’s healing presence and love.

Who We Are.

CHRISTUS is Latin for “Christ,” and proclaims publicly the core of our mission.

The Congregations of the Sisters of the Holy Family of Nazareth and the Sisters of Charity of the Incarnate Word of Houston and San Antonio sponsor CHRISTUS Health. They are united in their commitment to creating communities of love and hope which foster and celebrate the oneness of the human family.

Our Symbol reflects the healing ministry of Jesus Christ—a combination of a medical cross and a religious cross. The flowing banner on the cross is a common symbol of the risen Christ, while the royal purple signifies Christ. The flowing banner also conveys a sense of motion as we move forward into a new era of service to our communities.
At CHRISTUS Health, we deliver a complete healing experience that respects the individual.

We serve our communities with dignity. And with a good deal of admiration.

CHRISTUS Health is a Catholic, not–for–profit system made up of more than 600 centers, including long–term care facilities, community hospitals, walk–in clinics and health ministries.

We are a community 45,000 strong, with over 15,000 physicians providing individualized care.
Our mission: To extend the healing ministry of Jesus Christ.

- CHRISTUS Health System headquarters.
- Cities in which CHRISTUS Health affiliates and related entities operate hospitals or long-term care facilities, in addition to various clinics and outpatient sites.
- Cities in which CHRISTUS Health affiliates and related entities operate offices, clinics, outpatient sites, or affiliated physician groups.
SPONSORED BY THE SISTERS OF CHARITY OF THE INCARNATE WORD IN HOUSTON AND SAN ANTONIO AND THE SISTERS OF THE HOLY FAMILY OF NAZARETH, the mission of CHRISTUS Health is to extend the healing ministry of Jesus Christ.

We are inspired by our mission, vision and core values to deliver compassionate, high quality health care, improving the health of the communities we serve.

Above all, we are committed to providing our customers and their family members with a truly unique healing experience, one that embodies our values and respects the dignity and worth of each person. Creating a health care system that is truly excellent in all areas is an ongoing effort.
