

**This PDF Package contains multiple files grouped together within a single container PDF file.**

Nuance Power PDF can be used to view, create and manage the files within this container.

**To get started, click any file in the PDF Portfolio to view it.**

- PDF Packages group multiple files and file types together to make them easier to distribute or share.
- PDF Packages allow you to organize related files for easier viewing and printing
- PDF Packages maintain the original security settings of the files or folders included in the container

Note: In older viewers/editors the files are stored as attachments to this page.

**PDF Packages are older PDF technology that has been replaced by PDF Portfolios**
