Why CHRISTUS Trinity Mother Frances Health System?

CHRISTUS Trinity Mother Frances Health System is the region’s preferred health care provider, with a proud tradition of over 80 years of dedicated service to the people of East Texas. CHRISTUS Mother Frances Hospital – Tyler is a comprehensive stroke center, as well as a level II trauma center. The system has earned a number of national awards for health care, including Becker’s Hospital Review “100 Top Hospital,” and is recognized as the first recipient of the “HeartCARE Center: National Distinction of Excellence” by the American College of Cardiology. As a national leader in patient satisfaction, advanced technology and quality initiatives, we are a faith-based, not-for-profit organization dedicated to creating healthy lives for people and communities. CHRISTUS Trinity Mother Frances Health System includes CHRISTUS Mother Frances Hospitals – Tyler, South Tyler, Jacksonville, Sulphur Springs and Winnsboro, CHRISTUS Trinity Mother Frances Louis and Peaches Owen Heart Hospital – Tyler, and CHRISTUS Trinity Clinic.

Residency

The PGY-1 residency program at CHRISTUS Trinity Mother Frances is a one-year training program designed to enhance and strengthen the resident’s clinical skills and knowledge of the practice of pharmacy. A high priority is placed on teaching evidence-based care and preparing residents for the variety of opportunities available to PGY-1 graduates. The residency is conducted at the CHRISTUS Mother Frances Hospital – Tyler, an acute-care community hospital with approximately 500 beds.
