CHRISTUS Santa Rosa Health System’s accredited Clinical Pastoral Education program prepares theologically educated persons for professional ministry in health, community and faith-based settings in accordance with the Mission, Vision, Core Values and Spirituality of CHRISTUS Health.

Guided by the objectives and outcomes set by ACPE accreditation standards for CPE programs, the CPE program strives to prepare persons to become compassionate and competent ministers capable of meeting the Common Qualifications and Competencies set by strategic partners certification groups as well as standards set by specific denominational and specialty clinical settings.

CHRISTUS Santa Rosa’s diverse clinical settings include five hospitals spanning acute care services within pediatrics, geriatrics, palliative care, and transplant services, outpatient surgical centers, urgent care centers, free-standing emergency centers (pediatric and adult), and connection with community hospice opportunities. CPE residents, depending on their self-set learning goals, will have the opportunity for a wealth of learning potential and wide marketability upon completion of their year of residency training.
